

## **TELEVISION STUDIES – OCW UC3M**

### **Topic VI. Television Institutions and Authorship**

#### **Exercise of week 1 of the topic:**

Try to find as much information as possible about America television producer Steven Bochco. Then, after watching the screening material "Steven Bochco, Part 4", write a two-page professional biography highlighting his biggest successes and the main characteristic of his work.

#### **Exercise of week 2 of the topic:**

Select one fiction program that you like and find information about the most relevant members of the creative team: creator / producers / writers / directors. After finding additional information about each of them, try to define in a short essay about their specific contributions to the program. In the conclusion, include your opinion about if television is a truly collaborative medium.
